OFFICE OF THE ADMINISTRATOR

PERSONAL

Honorable Allen Dulles
Director
Central Intelligence Agency
Washington 25, D. C.

Dear Allen:

Concerning my conversation with you, I would like to request for two or three of my top staff and myself -- all cleared -- a thorough going discussion with your people aimed at giving us the best possible picture of Soviet capabilities in the fields of interest to us. I would have in mind discussions with persons such as Scoville, Bissell, and yourself, in particular. I think we would want to go over all of the information available to us in the several areas of responsibility covered by these particular men and for which we have clearance.

I will be out of town for the next two weeks and thus would like to leave it that Mr. Harold Lawrence will be in touch with your office to set up a date for Messrs. Horner, Dryden and myself at a time mutually convenient to all concerned.

Kindest personal regards.

Sincerely,

T. Keith Glennan
Administrator
